ACTION FOR PEACE IN COLUMBIA—On Sunday and Monday, May 20 and 21, CMCL will join hundreds of congregations in Colombia and North America observing the Second Annual Days of Prayer and Action for Peace in Colombia. Elly Soto will speak to us about the twin streams of despair and hope in that country's 40-year internal conflict that claims an average of 3,000 lives per year and has uprooted millions of people from their homes. Attenders will be encouraged to fax, phone or e-mail Joe, Bob and Arlen on Monday to express our wish that North American policy promote peace and justice in Colombia rather than injustice and violence. Materials will be made available to everyone by the JAS Committee to make this important advocacy as easy as possible.

MCC BENEFIT RIDE—Every two years an MCC ride is planned on the East Coast to benefit MCC. This year's ride is August 5-9 along the Skyline Drive in Virginia. Proceeds from will benefit MCC's work for peace, including walking alongside the Anabaptist churches in Colombia in the midst of a four-decades long conflict.
